BAHCO

READY FOR IMPACT!

PRECISION-MACHINED TIPS ensure a perfect fit to prevent cam out and wear.

TORSION ZONE absorbs more torque stress than standard impact bits, helping to maximise the product's lifespan.

TORX® BITS FEATURE A COLOUR-CODED sleeve to easily identify the size of the tip and improve productivity.

HIGH PERFORMANCE ALLOY STEEL for long-lasting performance and product life.

READY FOR IMPACT!

RESISTANT GLASS FIBER REINFORCED CASE,
TOUGH AND DURABLE
FOR GOOD PROTECTION

Writeable label included in each set to personalize the set or make it easy to identify it's yours

The bits are safely stored in **90 degrees rotatable racks** to make it easy to take out and put back the bits

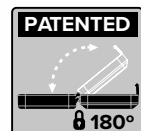

Glass fibre reinforced case protects your bits and keeps them safely stored

The **180 degrees locking function** helps to avoid the box slamming your fingers when taking it while it's open

A patented locking feature to keep the **box firmly open in 180 degrees**

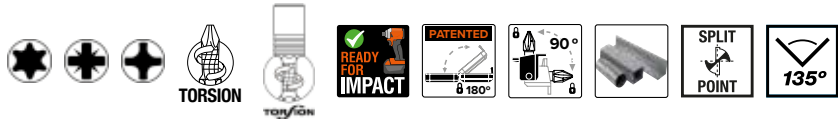

You can endlessly **mount or dismount** lid and base of the box without compromising the function for flexible storage options
